

THADDI

Product Requirements Document (PRD)

Version 4.0

Final Business Specification

World Cup 2026 MVP

===== PROJECT VISION
=====

THADDI is an Arabic-first football prediction challenge platform designed for fans, friends, families, companies, and communities to compete through football predictions during major tournaments.

The platform focuses on:

- Football
- Competition
- Community
- Rankings
- Rewards
- Gamification

THADDI is NOT:

- Gambling
- Betting
- Casino

Primary Goal:

Become the easiest football prediction challenge platform to create, join, and share during FIFA World Cup 2026.
